

CONTENTS

INTRODUCTION	5
1. ANALYSIS OF FRIEGHT WAGONS CONSTRUCTIVE PERFECTION OF MODERN DOMESTIC PARK BY TYPES.....	9
1.1. Design features of gondolas	9
1.2. Design features of covered wagons	27
1.3. Design features of flat wagons	49
1.4. Design features of tank wagons.....	68
<i>CONCLUSIOND TO CHAPTER 1</i>	73
2. DEVELOPMENT AND ANALYSIS OF DYNAMIC LOADING FUNCTIONAL DEPENDENCE OF TYPICAL DESIGNS OF DOMESTIC PARK FREIGHT WAGONS WITH NOMINAL PARAMETERS	74
2.1. Calculation of dynamic loading of load-bearing structures of freight wagons in the vertical plane	74
2.2. Calculation of dynamic loading of load-bearing structures of freight wagons in the longitudinal plane	91
<i>CONCLUSIONS TO CHAPTER 2</i>	95
3. RESEARCH OF TYPICAL DESIGNS DURABILITY OF DOMESTIC PARK FREIGHT WAGONS WITH NOMINAL PARAMETERS AT OPERATIONAL (STANDARDIZED AND EXCESSIVE) LOADINGS	96
3.1. Research of typical designs durability of gondolas with nominal parameters at operational loadings	96
3.2. Research of typical designs durability of covered wagons with nominal parameters at operational loadings	114
3.3. Research of typical designs durability of flat wagons with nominal parameters at operational loadings	127
3.4. Research of typical designs durability of tank wagons with nominal parameters at operational loadings	139

3.5. Research of typical designs durability of hopper wagons with nominal parameters at operational loadings	146
<i>CONCLUSIONS TO CHAPTER 3</i>	152
4 DEVELOPMENT AND ANALYSIS OF DYNAMIC LOADING FUNCTIONAL DEPENDENCES OF TYPICAL DESIGNS OF DOMESTIC PARK FREIGHT WAGONS WITH ACTUAL PARAMETERS	153
4.1. Determination of dynamic loading of load-bearing structures of freight wagons in the vertical plane	153
4.2. Determination of dynamic loading of freight wagons load-bearing structures in the longitudinal plane.....	171
<i>CONCLUSIONS TO CHAPTER 4</i>	174
5 RESEARCH OF TYPICAL DESIGNS DURABILITY OF DOMESTIC PARK FREIGHT WAGONS WITH ACTUAL PARAMETERS AT OPERATIONAL (STANDARDIZED AND EXCESSIVE) LOADINGS	175
5.1. Research of typical designs durability of gondola wagons with actual parameters at operational loading	175
5.2. Research of typical designs durability of covered wagons with actual parameters at operational loadings.....	179
5.3. Research of typical designs durability of flat wagons with actual parameters at operational loadings.....	182
5.4. Research of typical designs durability of tank wagons with actual parameters at operational loadings.....	190
5.5. Research of typical designs durability of hopper wagons with actual parameters at operational loadings.....	195
<i>CONCLUSIONS TO CHAPTER 5</i>	199
GENERAL CONCLUSIONS	200
LIST OF REFERENCE SOURCES	202
Referents.....	206
