THEORY AND METHODOLOGY OF ATHLETES TRAINING

Improving the physical fitness of female handball players

Andronov V. M., Nikulichev D. S., Sokolova O. V. 7

Peculiarities of the organization of educational and training classes of sportsmen with hearing impairment during their studies at higher education institutions

Babalich V. A. 10

Characteristics of the general physical fitness of 10–11 years old swimmers

Bilov S. O., Tyshchenko V. O. 13

Self-esteem as an important aspect of psychological research of female handball players

Diachenko M. V., Tyshchenko V. O. 16

Structure of the process of training of highly qualified athletes in rugby in the annual macrocycle

Kvasnytsya O. M., Tyshchenko V. O. 19

Sports preparation in preschool football clubs in Ukraine and the world

Kos R. S., Ulan A. M. 23

Coping strategies of athletes with different levels of qualification in cheerleading

Krykun O. A., Voronova V. I., Fedorchuk S. V. 27

Analysis of the level of physical and technical and tactical preparedness of volleyball players

Nesterenko N. A., Burdaiev A. 32

Development of coordination skills of football players in a yearly training cycle

Samokhvalova I. Yu., Biloshnichenko B. S. 37

Requirements for the fitness of female handball players

Tyshchenko D., Osadchii D., Sokolova O. 41

Planning of physical and technical training of young football players at the initial stage of training	
Chopilko T. G.	44
HUMAN HEALTH, FITNESS AND RECREATION, PHYSICAL EDUCATION OF DIFFERENT GROUPS OF POPULATION, PHYSICAL REHABILITATION	
Sports and recreational projects for student youth	
Babich T. M.	48
The influence of sectional classes on physical condition of nine-ten-old boys	
Grabyk N. M., Hulka O. V., Hrubar I. Ya.	52
Sports dances as a means of strengthening the physical health of boys aged 11–12 in extracurricular time	
Diedukh M. O., Brychuk M. S.	57
The role of strength training in rowing on Dragon boats for young men	
Eremenko N. P., Liu Jiale, Sadovsky O. O.	60
Peculiarities of controlling the posture of children of primary school age (7–9 years old)	
Kolomiets T. V.	64
Health running is a component of a healthy lifestyle	
Kryvobohova N. P., Miroshnkova N. S., Vykhruk O. O.	67
Movement games in the physical education of primary school students	
Kuznetsova L. I., Dolghenko L. P., Podosinova L. P.	70
The importance of physical education in the preparation of geography specialists	
Lavrín H. Z., Anheliuk I. O., Osip N. B.	74
The essence of the pedagogical component in the health aspect of physical education	
Moroz Yu. N.	78

Assessing the prevalence of cervicgia and the risk factors contributing to it among young adults	
Ovdii M. A., Trunina T. I., Davydiuk A. O.	81
Development of the ability to sense the rhythm of younger schoolchildren in physical education lessons	
Omelyanenko I. O., Omelyanenko V. H.	84
Application of respiratory methods in the rehabilitation of persons who have transferred coronavirus disease	
Onyshchuk V. Ye.	87
Psycho-physical training as a key component of the professional activity of security and defence sector personnel	
Otkydach V. S., Korchagin M. V., Maniak S. V.	91
Practices of formation of protocols for assessment of swimming skills and competences in the aquatic environment of children of primary school age	
Pivovar A. A., Kovach S. Yu., Syrotiuk S. M.	96
Modern approaches to rehabilitation after amputations of the upper limb	
Pozmogova N. V., Potapova L. V., Kavrin M. O.	99
Cardiorespiratory endurance of future policemen	
Rymyk V. R.	103
Determining the adaptive capabilities of military personnel with the upper limb performs protective actions based on the estimated motor activity from the modeling of professional activity situations	
Shestopal N. O.	105
MODERN PROBLEMS OF POPULATION RECOVERY AND WAYS TO SOLVE IT	
The use of the “STEPS” technique in the expanded possibilities of involving school-age children in tennis lessons	
Trachuk S. V., Holub V. A., Dovhal V. I.	108

The use of “STEPS” pedagogical techniques to involve children
of primary school age in activities in the aquatic environment

Trachuk S. V., Semenenko V. P., Kholodova O. S. 111

MODERN INFORMATION TECHNOLOGIES

IN PHYSICAL CULTURE AND SPORTS

Application of information technologies in work with students and lyceums
of the Khortytsk National Academy

Kiktenko I. P. 114
