

CONTENTS

FLORA AND VEGETATION

Vegetation of the landscape reserve of local importance “Prudyshchanskyi”
(Sumy region)

Vakal A. P., Lytvynenko Yu. I...... 5

Aminoacids of medicago falcata herb

Гречана О. В., Сербін А. Г., Салій О. О...... 9

EXPERIMENTAL BOTANY

Nitrate reductase and its activity in plants under the influence
of environmental stress factors

Bronnikova L. I., Zaitseva I. O...... 12

ZOOLOGY

Live food in starter feeding sturgeon juveniles

Soborova O. M., Kudelina O. Yu., Bets M. D. 16

ECOLOGY

Vertical migration of radionuclides in peat soils of Polissia

Bida P. I., Buslenko H. M. 19

Meaning of the main trophological indicators of lymnaea corvus
in central Polesie

Shelmuk M. A. 23

CHEMISTRY

Mono- and tetranuclear palladium(II) coordination compounds based
on 3-(2-pyridyl)-1,2,4-triazole-5-acetic acid esters

Ivanova H. V., Lampeka R. D. 26

Chemical components of car paints (enamels) and their properties

Karpenko A. M., Vakal Yu. S...... 29

Microbiostatic effect of polymethyl methacrylate modified
with a cobalt metal complex

Shevchenko O. V...... 33

PHYSICAL AND GEOGRAPHICAL RESEARCH

Electromagnetic emission and seismotectonic processes
in the Transcarpathian internal depression
Ignatyshyn V. V., Izhak T. Y., Rats A. Y. 38

GEOLOGY

“Mineralogical encyclopedia of Ukraine” in the context of digitalization
Kulchytska H. O., Chernysh D. S., Sietaia L. D. 41

FEATURES OF TRAINING SPECIALISTS IN NATURAL SCIENCES

Practice as an essential component of preparation for future teachers
in the natural education field to professional activity
Truskavetska I. Ya. 45

Control of students' knowledge within the scope of teaching environmental
disciplines in higher education institutions
Shelmuk M. A., Harbar D. A. 48
