Traditions and new scientific strategies in the context of global transformation of society : Scientific monograph. Part 1. Riga, Latvia : Baltija Publishing, 2024. 456 p.

ISBN: 978-9934-26-406-1

DOI: <https://doi.org/10.30525/978-9934-26-406-1>

The scientific monograph presents theoretical and practical aspects of the development of science, technology, and innovation in the context of the global transformation of society. It covers general issues of technical, physical, and mathematical sciences, biological and agricultural sciences, sociological sciences, social communications, and historical sciences. The publication is intended for scientists, educators, postgraduate students and undergraduates, as well as the general readership.
