

CONTENTS

SECTION I. PUBLIC HEALTH ORGANIZATION AND MANAGEMENT AT THE INTERNATIONAL, NATIONAL AND REGIONAL LEVELS, ACTION PLANNING IN EMERGENCIES

Chapter 1

THE PUBLIC HEALTH SYSTEM AS A FUNDAMENTAL COMPONENT OF THE STATE'S SOCIO-ECONOMIC FRAMEWORK (Hushchuk I. V., Topishko N. P., Vivsiannyk O. M., Stratyuk O. A., Galetska T. I).....2

1. Reform of Ukraine's public health system: concept, principles, components 3
2. Public health programs: content, state and intersectoral approaches, strategic planning of comprehensive public health programs. Public health programs at the regional and local levels: planning and financing features 9
3. Implementation of the state medical service guarantee program at the primary level 17

Chapter 2

INTEGRATION OF COMMUNICATION CHANNELS FOR THE EFFECTIVE IMPLEMENTATION OF PUBLIC HEALTH PROGRAMS: STRATEGIC APPROACH AND METHOD STANDARDIZATION (Linnikov S. V., Myronyuk I. S.).....26

1. Materials and methods of research 27
2. The results of the research and their discussion 28

Chapter 3

STRATEGIC PLANNING OF PROGRAMS TO PRESERVE AND STRENGTHEN THE HEALTH OF THE POPULATION AT THE REGIONAL LEVEL (Stovban I. V., Slabkiy G. O., Medvedovska N. V.).....39

1. Priorities of state policy in Ukraine regarding preservation and strengthening of population health, strategies and plans 42
2. Regional approach in the implementation of strategic planning programs to preserve and strengthen the health of the population 44

SECTION II. MONITORING AND RESPONDING TO PUBLIC HEALTH EMERGENCIES

Chapter 1

COMPREHENSIVE ASSESSMENT OF YOUTH'S HEALTH AND BEHAVIOR ACCORDING TO THE RESULTS OF THE QUESTIONNAIRE

(Antomonov M. Yu., Pashynska S. L., Sokolova M. P.	57
1. Research materials and methods	59
2. Methodology for calculating the criteria for the influence of factors of youth behavior on the state of their health	67
3. Development of a scale for evaluating the health-forming behavior of young people.....	72

Chapter 2

MONITORING AND RESPONSE TO EMERGENCIES OF A BIOLOGICAL NATURE IN THE FIELD OF PUBLIC HEALTH

(Valchuk S. I., Kraus O. V., Shamyckova H. R.)	83
---	-----------

Chapter 3

APPLICATION OF THE PCR METHOD IN THE PUBLIC HEALTH SYSTEM AS AN EFFECTIVE TOOL OF MOLECULAR EPIDEMIOLOGY IN THE DIAGNOSIS AND COUNTERACTION OF BIOLOGICAL THREATS AT THE CURRENT STAGE

(Khoronzhevskaya I. S., Hushchuk I. V., Safonov R. V.)	96
1. The organization and functioning of modern microbiological and virological laboratories is a key factor in combating biological threats at the current stage.....	97
2. Study of the structure of research by the polymerase chain reaction method in the PCR laboratory of the State University “Rivnensky OCKPH of the Ministry of Health” among people for 2007–2023.....	101

SECTION III. IMPLEMENTATION OF THE STATE MONITORING SYSTEM FOR HEALTH DETERMINANTS

Chapter 1

SOCIAL ASPECTS OF THE LIFE OF THE URBAN AND RURAL POPULATION OF UKRAINE DURING A STATE OF WAR

(Hozak S. V., Yelizarova O. T., Stankeych T. V.).....	111
1. Characteristics of indicators of physical and mental health of the population of Ukraine during a state of war	112
2. Social determinants of the health of the population of Ukraine during martial law	115

Chapter 2

THE INFLUENCE OF SYSTEMATIC COMPUTER WORK ON THE PHYSICAL DEVELOPMENT OF TEENAGERS

(Hryhorchuk I. D.).....	127
1. Analysis of sources on the subject of research	128
2. Research methods.....	136
3. Research results and their discussion.....	137

Chapter 3

PUBLIC RISK ASSESSMENT OF THE HAZARDOUS EFFECTS OF PESTICIDES AUTHORIZED FOR USE IN APPLE ORCHARDS AND VINEYARDS

(Ibrahimova I. V., Vavrinevych O. P., Omelchuk S. T.).....	144
1. Public risk assessment when consuming contaminated water from surface and underground sources	148
2. Public risk assessment when eating apples and grapes grown with the pesticides under study	152

Chapter 4

THE USE OF INTEGRAL ASSESSMENTS TO CHARACTERIZE THE FUNCTIONAL STATE OF CHILDREN'S BODIES IN THE SYSTEM OF SOCIO-HYGIENIC MONITORING

(Kalynychenko I. O.).....	163
1. Development of integral indicators based on standardized values in the public health system	165
2. The use of regression analysis for individual prediction of the effectiveness of adaptation processes and the formation of risk groups	173

Chapter 5

PREVENTIVE MEDICINE IS THE BASIS OF PUBLIC HEALTH AT THE TURN OF THE CENTURY (Kichura D. B.).....	187
1. Health care in the world	188
2. Achievements of preventive medicine in Ukraine	192
3. Directions and achievements of preventive medicine	199
4. Public health is the basis of a healthy nation	202
5. Recommendations on the prevention of chronic diseases.....	205

Chapter 6

ARTERIAL HYPERTENSION: A LEADING CHRONIC NONCOMMUNICABLE DISEASE AND A PRIORITY CHALLENGE FOR THE PUBLIC HEALTH SYSTEM (Kriachkova L. V., Krotova L. O., Valchuk S. I.)	212
1. Reducing mortality from chronic noncommunicable diseases – a task for achieving sustainable development goal 3 “Strong health and well-being”	213
2. The place of arterial hypertension among chronic noncommunicable diseases and its features in the Ukrainian population.....	216
3. The influence of risk factors on chronic noncommunicable diseases, cardiovascular diseases and arterial hypertension	222

Chapter 7

MODERN ASPECTS OF THE EPIDEMIOLOGY OF ALZHEIMER'S DISEASE AND DEMENTIA IN THE WORLD AND IN UKRAINE (Lytvynova L. O., Orlychenko K. V., Artemchuk L. I.)	233
1. Analysis of the dynamics of the main epidemiological indicators characterizing the incidence of Alzheimer's disease and other dementias in the world during 1990–2021	234
2. Current epidemiological situation regarding Alzheimer's disease and other dementias in Ukraine	241

Chapter 8

CHARACTERISTICS OF HEALTH DETERMINANTS AS SYSTEM-FORMING FACTORS OF PUBLIC HEALTH (Mokiienko A. V., Hushchuk I. V.)	246
1. A concise assessment of the state of the issue in Ukraine.....	247
2. Social risk factors for health (US experience).....	250
3. Analysis of points of view regarding risk factors for public health	255
4. Relative contribution of risk factors	267

Chapter 9

CONCEPTUAL FOUNDATIONS OF COMPREHENSIVE ASSESSMENT OF THE STATE OF HEALTH OF CHILDREN AND ADOLESCENTS AT THE CURRENT STAGE (Serheta I. V.).... 281

1. Features of the comprehensive assessment of the state of health of children and adolescents at the current stage in the context of public health protection: fundamental aspects 282
2. Features of the comprehensive assessment of the state of health of children and adolescents at the current stage in the context of public health protection: applied aspects 288

Chapter 10

THE INFLUENCE OF THE ENVIRONMENT ON THE DENTAL MORBIDITY OF THE POPULATION (DOMESTIC AND INTERNATIONAL EXPERIENCE) (Strochenko Ye. O.) 295

1. The purpose and tasks of the research 296
2. Review of literature and existing research..... 297
3. Analysis of domestic experience..... 301
4. Comparison with international experience 306
5. Determination of best practices..... 311

Chapter 11

THE MONITORING OF ACCOMPANYING CHANGES IN THE STATE OF HEALTH OF PERSONS WITH VISUAL IMPAIRMENTS UNDER THE CONDITION OF REHABILITATION INTERVENTION (Tonkopei Yu. L.) 319

1. Peculiarities of the functioning of the organism and the formation of structural correlates in persons with visual impairments 321
2. The dynamics of improvement of body functions and accompanying conditions of persons with visual impairments by means of physical therapy 328

SECTION IV. MENTAL HEALTH

Chapter 1

THE IMPORTANCE OF A MULTIDISCIPLINARY TEAM IN THE PREVENTION AND REHABILITATION OF GAMBLING ADDICTION (Aymedov C. V., Lunov V. Ye., Hrytskyk O. Yu.) 347

1. Multidisciplinary team and the role of each specialist in assisting individuals with gambling addiction..... 348
2. Prevention and rehabilitation measures for gambling addiction 362

Chapter 2

MODERN METHODS OF REHABILITATION OF MILITARY SERVICEMEN WITH POST-TRAUMATIC STRESS DISORDER (Vergolyas M. R., Nechyporenko S. G., Leonov Yu. I.)	370
1. Classification of PTSD according to international standards.....	371
2. Diagnostic requirements and clinical characteristics	372
3. Symptoms of PTSD	
4. Concept of stress	376
5. Stages of stress	379
6. Features of stress development	381
7. Methods of treatment and rehabilitation of people with PTSD	382

Chapter 3

THE PRACTICAL ASPECTS OF PSYCHOLOGICAL REHABILITATION OF THOSE AFFECTED BY THE WAR (Hilman A. Yu.)	393
1. The notion of psychotrauma and its types. Understanding of psychological rehabilitation. The stages of rehabilitation process and social-psychological recovery of the individual	394
2. The methods of psychological rehabilitation of those who suffered as a result of the war: the essence and key provisions	398

Chapter 4

REHABILITATION APPROACH IN WORKING WITH PHOTOGRAPHIC RESOURCE FOR THERAPEUTIC PURPOSE (Ilnytska L. V.)	420
1. Terminological complications of bringing a photographic case into the context of a medical view on the therapeutic content of a photo image	421
2. Characteristics of the use of photographic resources for carrying out rehabilitation activities	426

Chapter 5

ANALYSIS OF PREDICTORS OF THE FORMATION OF SANOGENIC EDUCATION OF TEENAGERS AT THE STAGE OF SUMMER VACATION (Kopko I. Ye.)	433
1. Analysis of the organizational and pedagogical conditions for the effective implementation of sanogenic education and the formation of the health culture of adolescents in extracurricular activities	434
2. Diagnostics of the process of sanogenic education of teenagers in a summer health camp	443

Chapter 6

PSYCHOLOGICAL REHABILITATION OF VETERANS AND ADULT VICTIMS OF MILITARY OPERATIONS

(Kulesha N. P.)	459
1. General description of the concept of rehabilitation, definition of the term.....	459
2. Regulatory support, main approaches and principles of rehabilitation activities in Ukraine.....	467
3. Theoretical and methodological foundations of rehabilitation of veterans abroad.....	470
4. An empirical study of the mental health of veterans and adults	476
5. Providing psychological counselling in the rehabilitation of adult veterans affected by military operations.....	484

Chapter 7

MODELING OF BALANCE BY MEANS OF PHYSICAL THERAPY OF INTERNALLY DISPLACED PERSONS WITH CRANIOCEREBRAL TRAUMA

(Mykytyn L. M., Didokha I. V.)	493
1. Analysis of the state of problems of internally displaced persons with brain injury	494
2. Model of development of balance by means of physical therapy	502

Chapter 8

PSYCHOLOGICAL ASSISTANCE IN CRISIS SITUATIONS: STRATEGIES AND METHODS

(Ordatii N. M., Ordatii A. V., Anhelska V. Yu.)	509
1. Strategies for mental health care	510
2. Rehabilitation programs for war victims	513
3. The structure and stages of four-level psychological assistance to military personnel.....	517
4. Psychological state and adaptation of military personnel	533

SECTION V. HEALTH PROMOTION

Chapter 1

THEORETICAL BASIS OF HEALTH PROMOTION AT THE LEVEL OF THE TERRITORIAL COMMUNITY

(Brych V. V.)	542
1. Health promotion as a healthcare strategy: purpose, principles, features at the community level	543

2. Basic approaches to health promotion	551
3. Development and implementation of a health promotion programme for the community	554

Chapter 2

FORMING A CULTURE OF HEALTH FOR PRESCHOOL

CHILDREN: PREVENTIVE ASPECT (Kalichak Yu. L.)..... 561

1. Main component categories of “Culture of health”	563
2. Health environment in the languages of the pre-school education institution	565
3. Requirements regarding the health care competence of the educator.....	572
4. Cooperation of kindergarten and family in issues of valeological education	578

Chapter 3

PROMOTION OF THE HEALTH OF PEDAGOGICAL WORKERS AT THE STAGE OF PROFESSIONAL TRAINING

(Latina H. O.) 586

1. Peculiarities of psychosocial stress of pedagogical workers of various specialties at the stage of professional training	591
2. Behavioral risk factors of chronic non-infectious diseases among teachers at the stage of professional training.....	596
3. Risk factors of non-infectious diseases among teaching staff at the stage of professional training during martial law	599

SECTION VI. LEGAL SUPPORT OF THE PUBLIC HEALTH SYSTEM

Chapter 1

SAFE HUMAN ENVIRONMENT IN THE CASE LAW

AND LEGISLATION OF UKRAINE (Blashchuk T. V.) 608

1. Theoretical foundations of the concept of “human environment”	610
2. Legislative regulation of the human environment in Ukraine	611
3. Judicial practice in the field of protection of the human environment	614

Chapter 2

REGULATORY AND LEGAL SUPPORT FOR THE PROTECTION OF MEDICAL SECRETS IN UKRAINE (Kravchenko O. M.) 621

1. The state of legal support for the protection of medical secret in Ukraine	622
--	-----

2. Proposals for improving the legal protection of medical secret in Ukraine	625
--	-----

Chapter 3

NATIONAL PHARMACEUTICAL POLICY AND ITS REGULATORY AND LEGAL SECURITY AS A COMPONENT OF PUBLIC HEALTH

(Krychkovska A. M., Monka N. Ya., Khomenko O. I.)..... 641

1. Theoretical concepts, aspects, essence and stages of development of the national pharmaceutical policy	643
2. Factors influencing the formation and implementation of pharmaceutical policy. Perspectives of pharmaceutical policy.....	651
3. Problems and challenges of implementing the national pharmaceutical policy in the world and in Ukraine.....	656

Chapter 4

THE RIGHT TO HEALTHY SCHOOL MEALS: LEGAL FRAMEWORK, INTERNATIONAL AND NATIONAL EXPERIENCE (Filianina L. A., Labenska L. L.)..... 672

1. International and national legislation of some countries on school feeding of children and adolescents	673
2. School feeding programs: international and national experience	681

SECTION VII. OTHER PUBLIC HEALTH CONCERNS

Chapter 1

ORGANIZATION OF RESEARCH AND APPLICATION OF LABORATORY MARKERS TO ASSESS THE HEALTH OF PATIENTS AFTER COMBAT TRAUMA OF LARGE JOINTS

(Bondarenko S. Ye., Leontyeva F. S., Morozenko D. V.)..... 696

1. Materials, methods and purpose of research.....	697
2. The clinical-pathogenetic role of biopolymers of connective tissue in the diagnosis of pathology of the musculoskeletal system	698
3. Clinical and diagnostic value of biochemical markers for assessing the condition of patients with combat trauma.....	701

Chapter 2

**EPIDEMIOLOGICAL FEATURES OF INTESTINAL INFECTIONS
IN THE TERRITORY OF THE VOLYN REGION
DURING THE PERIOD OF MARTIAL LAW**

(Dmytrotsa O. R., Korzhyk O. V., Dudkovska N. V.) 708

1. Analysis of statistical data on the spread of infectious diseases in Ukraine during martial law 711

2. Analysis of statistical data on the spread of intestinal infections among the population of the Volyn region during the period of martial law 717
