

CONTENTS

SECTION 1. EXPERIMENTAL BOTANY

- Effect of bacterization on the growth of *Pisum sativum* L. with a contrasting photoperiodic response
Batuieva Ye. D., Voloshyna O. Yu., Avksentieva O. O. 5
- Improvement of breeding technology for interspecific hybridization between *Capsicum annuum* L. and *Capsicum chinense* Jacq
Kondratenko S. I., Linnik Z. P., Pylypenko L. V. 11

SECTION 2. MEDICAL AND BIOLOGICAL RESEARCH

- Cadmium bioaccumulation from contaminated soils and water and its impact on energy metabolism and mineral homeostasis in laboratory animals
Kuras L. D., Nechytaýlo L. Ya., Khopta N. S. 16
- Maternal Social Stress Exacerbates Insulin Resistance and Dyslipidaemia in Adult Male Offspring of Gestational Diabetic Rats
Leshchenko Zh. A. 20
- Gamma-glutamyltransferase activity and magnesium and iron levels in the blood of rats under the condition of energy drink consumption
Lytvyניuk N. I., Ersteniuk H. M., Kaminska M. V. 23
- Medico-biological properties of *Cicuta virosa* L.
Musienko D. K., Panchuk O. V. 26
- Influence of energy drink on macro- and microelement composition of kidneys and erythrocytes
Partsei Kh. Yu., Tokaryk H. V., Senchii V. M. 29
- Use of medicines containing Ω -3 polyunsaturated fatty acids (epadol and omacor) in patients with ischemic heart disease
Skoreiko R. S., Skoreiko N. T. 32
- Correction of Adrenaline Levels and Lipid Metabolism Parameters by *Scutellaria baicalensis* under Adrenaline-Induced Stress
Shkurashivska S. V., Ersteniuk H. M., Saviak O. L. 35

SECTION 3. CHEMISTRY

- Interaction of doxorubicin with deoxyribonucleic acid sorbed onto nanocrystalline titania surface
Markitan O. V. 39
- A novel magnetically responsive ferrocyanide/ZIF-8 composite for radioactive ions capture
Trofymchuk I. M., Roik N. V., Gorbyk P. P. 43

SECTION 4. PHYSICAL AND GEOGRAPHICAL RESEARCH

Scientific innovations in the field of physics as a strategic resource
for the development of modern technologies

Nadala O. S. 47

SECTION 5. GEOLOGY

Prospects for finding rare earth mineralization in clays of Ukraine

Kylchytska H. O., Belskyi V. M., Chernysh D. S. 50

**SECTION 6. FEATURES OF TRAINING SPECIALISTS
IN NATURAL SCIENCES**

The place of the competency approach in the organization
of biological training for bachelors of physical therapy

Hurniak O. M., Romanenko O. V. 54
